

PowerBullet Breeze Extended

The super-charged PowerBullet has added a new member to the family: PowerBullet Extended, a 3.5 inch Breeze material vibe. Operating on only one AAA battery, this vibe can go for over an hour! It's long-lasting and efficient – no more tiny watch batteries and remote controls you easily lose and break, PowerBullet Extended has answered your request for an easy vibe that operates on manageable batteries.

PowerBullet Extended is the newest generation of amazing power and easy maintenance. Relax to this breeze-coated vibe and watch the fierce vigor of PowerBullet technology arise out of mere AAA batteries.

Specifications:

- wireless and waterproof
- 3-speeds
- breeze and UV coated
- operates on one AAA battery
