Introducing
minis
collection
100% premium silicone

Mini Swan Rose

3-21616

The Mini Swan Rose is a gorgeous and powerful massager with all the high quality features the beloved Swan brand is known for. The sleek and simple rose bud design offers a contoured shape allowing you to find your pleasure with ease. The Rose is a compact vibrator that lets your desire blossom and your imagination bloom.

Mini Swan Wand

3-21516

The Mini Swan Wand is a luxurious compact vibe gaining its inspiration from the mega successful Swan Wand. Beautiful in design, extraordinary in power, the Mini Swan Wand is perfect for someone on the go who loves to be naughty & adventurous. It also looks amazing on your night stand awaiting your every desire.

A Collection to Cherish

The brand new Swan Minis are a collection of petite silicone massagers that are packed with power. Small but mighty, these miniature vibrators are beautifully designed with premium features, including incremental speed control, 100% silicone, rechargeability, and powered by a PowerBullet® motor.

Run Time: Up to 2.5 hours
Charge Time: 2.5 hours

Dimensions:
3in (76mm) x 0.8in (20mm)

Solo

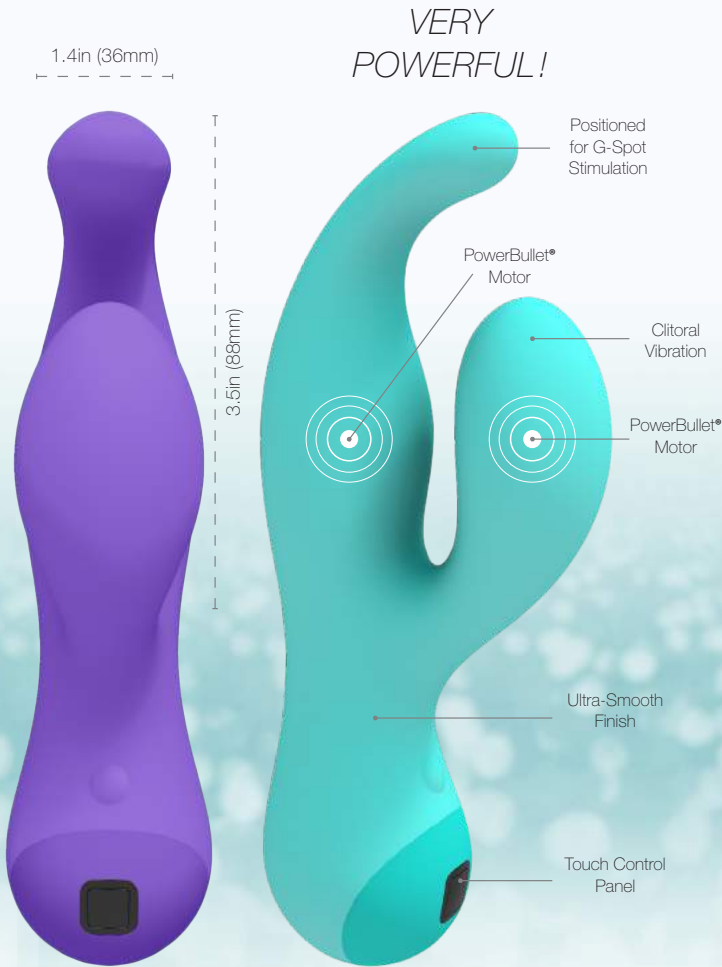

Solo, a new concept from Touch by Swan, features a curvaceous design perfectly enhanced for your pleasure. A broad clitoral stimulator will create more contact with your natural shape, while the body of the Solo is positioned for mind blowing G-Spot stimulation.

Using the responsive touch panel at the base, control your experience with a simple swipe in any direction. Swiping up or down will control the clitoral vibration, while swiping right or left will control the body vibration.

The vibrations of all Touch by Swan designs are amplified using the trusted PowerBullet® vibration technology.

Easy-to-Use Touch Sensor

Touch™ by Swan®

Duo

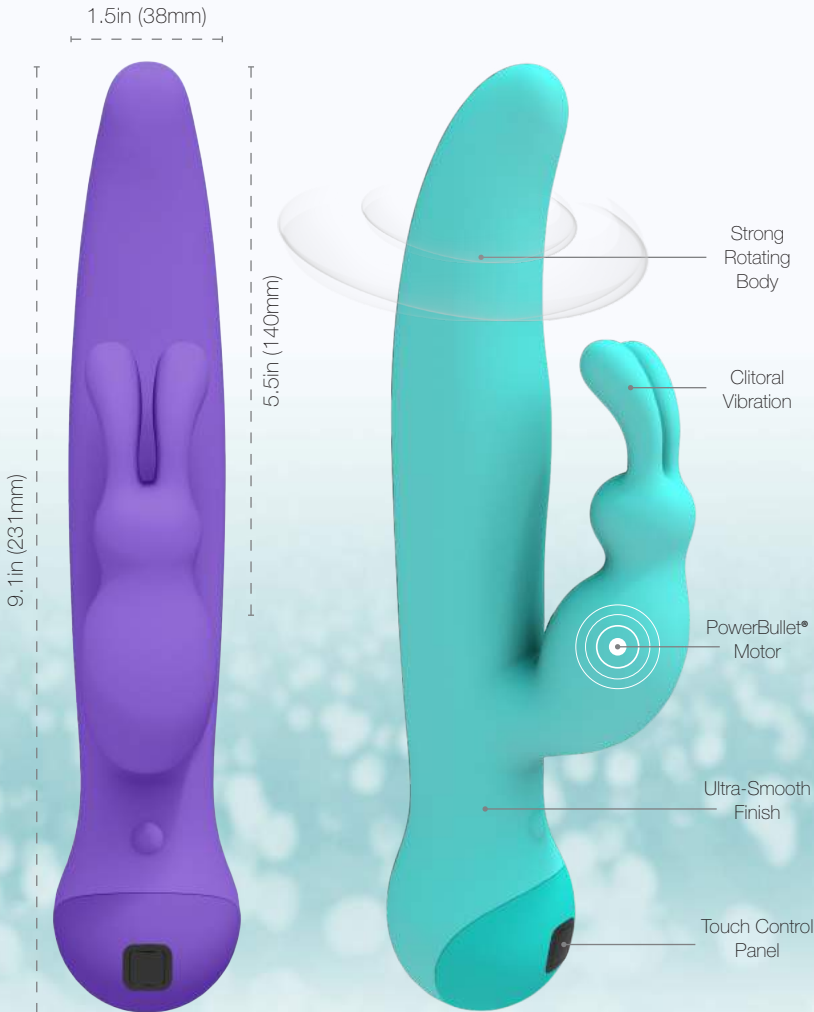

Duo, a classic design upgraded for modern pleasure seekers, is modeled after the tried and true rabbit form. The two long ears on the clitoral stimulator, which transmit the strong vibrations, are complimented by the strong rotating body. The size and weight of the ears create a steady bouncing movement, and allow for the vibration to reach the right areas as needed.

Using the responsive touch panel at the base, control your experience with a simple swipe in any direction. Swiping up or down will control the clitoral vibration, while swiping right or left will control the body rotation.

The vibrations of all Touch by Swan designs are amplified using the trusted PowerBullet® vibration technology.

Touch™

by Swan®

Trio

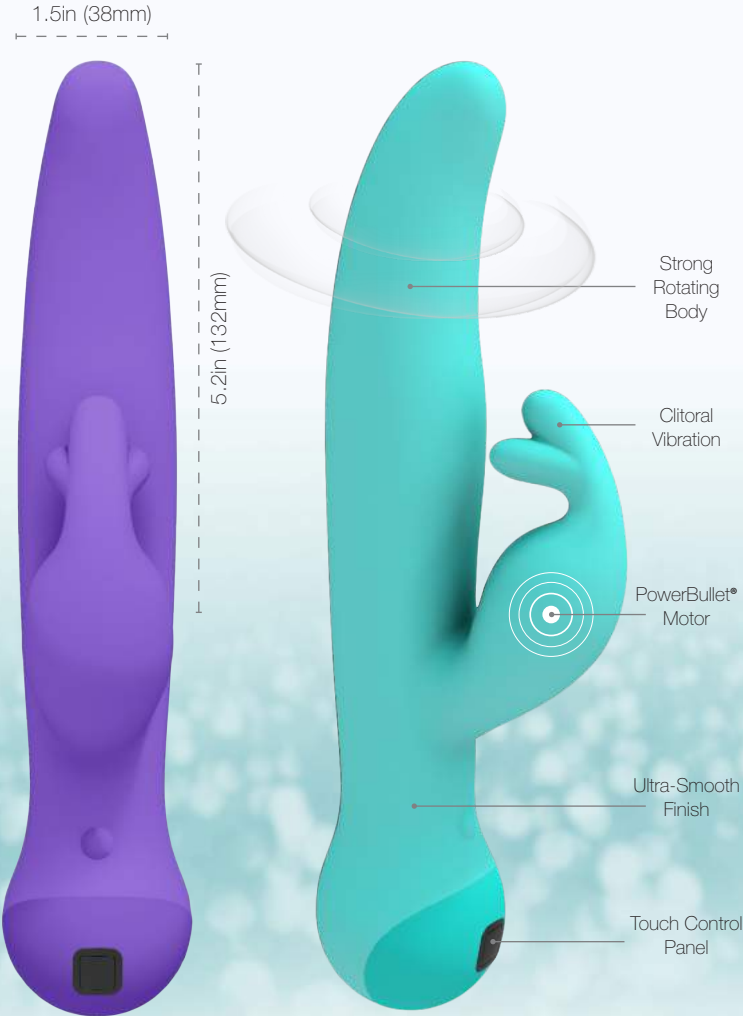

Trio, with its bold triple sensation clitoral stimulator, is a powerhouse of pleasure. When used with the strong rotating body, Trio allows you to reach a higher level of satisfaction. The tri-fold shape completely surrounds the clitoral area to maximize stimulation until you're taken over the edge.

Using the responsive touch panel at the base, control your experience with a simple swipe in any direction. Swiping up or down will control the clitoral vibration, while swiping right or left will control the body rotation.

The vibrations of all Touch by Swan designs are amplified using the trusted PowerBullet® vibration technology.
