**New Addiction Products Launching in 2020**

BMS Factory has launched a wide range of new products within the Addiction line.

Addiction, a premier collection of dongs that pushes the envelope on realism, offers a wide range of products that vary in size, material and special features. Throughout the years, the line has quickly become a customer favourite.

STEVEN & ANDREW: You asked, they delivered! Now available in an all new shade range, please welcome Andrew and Steven to the Addiction family. Andrew is a fully bendable 100 percent silicone dong that stays in the position of whatever angle you bend him. Steven is 7.5 inches of pure pleasure, complete with a muscular shape, detailed design and premium silicone material.

PEARL ADDICTION: The real treasures are the new Pearl Addiction dongs, a shimmering toy collection with a pearlescent finish that shines, reflects and glistens for maximum opulence. The Pearl Addiction comes in both 4.5 inches as well as 8.5 inches.

COCKTAILS: Bottom's up! Fabulously fun, the brightly coloured Cocktails collection offers a wild con-cock-tion of pleasure! Choose between Peach Bellini, Blue Lagoon, Mint Mojito and Berry Daquiri.

As an added value for consumers, each new product comes with a bonus PowerBullet, extreme suction cup base and harness capability for an addiction you won't to kick!
